To

D. M. Narasinga Rao, Esquire, B.A. B.L..
Offg. Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore.

SIR,

I have the honor to acknowledge receipt of the Government Order No.2894-7--L.B. 125-14-2 dated 25th September 1914 sanctioning the appointment of a clerk on Rs.50/- a month in my office to attend to the correspondence relating to the District Board Railway.

2. Adverting to para 2 of the Government Order, I beg to state that the District Fund Budget for 1914-15 may be sub-divided under two heads as hereunder:--

A. District Fund Proper:-- made up of, on the receipt side, the contribution from local cess, taxes and fees levied by the District Board and on the expenditure side, allotments for roads, wells etc.

B. District Board Railway :-- relating to the receipts and expenditure incidental to the construction and working of the Railway.

3. I submit it is not fair that the pay of the clerk appointed solely for railway purposes should be charged to the former head;

2

on the other hand, the charge is a very legitimate one on the latter head viz, the District Board Railway.

4. According to the sanctioned budget, the receipts and expenditure under the District Board Railway are as follows:—

| | |
|---|---|
| **Receipts.** | |
| 1. Railway cess @ 6 pies | Rs. 74,164. |
| 2. Interest on investments of capital. | " 4,375. |
| 3. Revenue from railway. | 25,000. |
| Total | Rs.1,03,539. |
| **Expenditure.** | |
| A. Miscellaneous charges for raising the capital for Railway construction. | 100. |
| B. Interest on Debenture Bonds | 16,000. |
| C. Working charges. | 53,298. |
| | 69,398 |

leaving a balance of Rs.34,141.

5. The Board are of opinion that the pay of the clerk in question may be appropriately debited to "C-Working Charges" but as the Government hold otherwise, I now propose, as an alternative course, that the charge be debited to "A-Miscellaneous charges". In this case, the allotment under the head may be raised from Rs.100 to Rs.700, thereby reducing the balance by a corresponding sum of Rs.600.

I request that the Government will be pleased to sanction this alternative proposal.

6. I may add that the resultant deficit in the closing balance may be eventually more than made up by the rebate on working expenses, which the Government have agreed to pay under certain circumstances.

I have the honor to be,

S i r,

Your most obedient servant,

Deputy Commissioner and President.
